About us

**we are a leading provider of
bespoke floral and decor
services tailored to elevate
corporate environments.**

“Life is better
with flowers”

Corporate Subscription

How it works

Consultation:

We begin with a personalised consultation to understand your corporate culture, brand aesthetics, and workspace requirements. Our team ensures your floral preferences are met to perfection.

Customised Plans:

Based on your preferences and budget, we create customised subscription plans that suit your needs. Whether you require weekly, bi-weekly, or monthly deliveries, we've got you covered.

Hassle-Free Delivery:

Sit back and relax as our expert florists handcraft exquisite arrangements using the finest blooms sourced from around the world. We take care of every detail, from selecting the freshest flowers to arranging them in elegant vases, ensuring a stunning display every time.

Timely Replacement:

Say goodbye to wilted flowers and hello to everlasting freshness. Our team ensures timely replacements and maintenance to keep your floral displays looking pristine at all times.
